— OUR APPROACH

Why CTOC?

Practical, affordable, and student-led — designed to actually get you placement-ready, not just to look good on paper.

01 Student-Friendly Support

Built by students who recently went through the placement journey themselves.

02 Beginner Friendly Guidance

Start from zero — no prior experience needed, no judgment.

03 Modern Industry Awareness

Curriculum updated with what recruiters and hiring managers want today.

04 Interactive Workshop Sessions

Hands-on practice, role-plays, and peer feedback — not boring lectures.

05 Career-Focused Training

Every session ends with concrete next steps for your placement journey.

06 Practical Learning Support

Templates, checklists, and examples you can reuse for your own portfolio.

07 Affordable Student Pricing

Premium career support starting from just ₹49 — accessible to every student, no matter the budget.

From your first resume to your first offer letter 🎓

CTOC walks every student through every step of the placement journey — practical, affordable, and never alone.
